Your Plumbing Nightmare Ends Here

Picture this: your kitchen's a swamp from a clogged drain, your toilet's backing up with gross water, or a leaky pipe's soaking your floors. **It's scary**, and you're stressed about your home falling apart. At New Flow Plumbing, we get how awful this feels. We're the best plumber in Los Angeles because we make your home feel safe and cozy again, fast.

Trusted by over 10,000 families from **Van Nuys** to Santa Monica, we're your 24/7 plumber in Los Angeles. With 60–90 minute arrival and same-day service, we stop the chaos.

Feel Safe Again!

Got Sewer Troubles? We'll Fix Them

Sewer problems like backups, tree roots, or yucky smells can turn your LA home into a nightmare. Slow drains, weird grass patches, cracked foundations, or even bugs and rats—these are signs your sewer's in trouble. Our trenchless sewer repair in Los Angeles fixes it without wrecking your yard.

Why Our No-Dig Fix Rocks:

Save Money

Cuts 30–40% off the cost compared to old-school digging.

Super Fast

Done in hours, not days or weeks, so you're back to normal quick.

No Mess

Just two small holes—no torn-up driveways or floors.

Built to Last

Pipe lining lasts 50 years, pipe bursting up to 100 years, with a 7–10 year warranty.

End Sewer Stress Now!

Our Plumbing Fixes for LA Homes

- **Sewer Camera Inspection:** Sewer Camera Inspection: starting $199 (from cleanout access, $299 without). We use tiny cameras to spot pipe problems without digging.
- **Pipe Lining (CIPP):** Call for pricing. A new pipe inside the old one, no trenching needed.
- **Pipe Bursting:** From $4,200 for 25 feet of 4" sewer pipe. Replaces old pipes with tough new ones.
- **Hydro-Jetting:** From $659. Blasts away clogs and gunk with high-pressure water.
- **More Fixes:** Leak detection, water heater repair, bathroom plumbing, and commercial plumbing.
